Assemblies

We are continuing to hold assemblies remotely.

This week, our Monday gathering focused on New Year's resolutions - linking with character strengths.

Friday's gathering focused on celebrating two governor visits that took place before Christmas. A small number of governors spent time in the playgrounds, observing self-regulation displayed by the children during lunchtime outside. The report issued by the governors is full of praise for how the children behave towards and relate to each other, and adults.

Sherington Football Team

Yesterday, our football team played their first match. As expected, the teamwork demonstrated was obvious. Mr Flynn and Miss Owen said that all the players were an absolute credit to the school, demonstrating perspective, hope, humility and self-regulation.

Jason (captain): It was exciting to be playing competitively again. The team learnt a lot. We are going to concentrate on better communication and grabbing all opportunities.

Elliot: I felt that I was where I belong. I am proud to be representing the school.
