No need to be in a team. Put your name down at the office and teams can be made on the night! This is a really fun and popular night so make sure you book your space to avoid disappoint.

Sadly after two brilliant and busy years, Victoria Cranna is stepping down as Chair and Ceri Thomas is also stepping down as Treasurer so if you would like to put yourself forward for either role do please let Victoria know (vcranna@hotmail.co.uk) They have both done an amazing job and we are sure the two candidates to fill their shoes will do just as good!

School Journey

Year 6 visited Wales last week and had a wonderful time.

Kaira & Daisy said "After a long 7 hours travelling to Wales we were able to stretch our legs on our first night walk in the forest. The guide was telling us about a haunted house and there were bats flying around above us. We also climbed Bird Rock Mountain, which was 233 feet high and were the first school to get to the top!

We explored a mine, and it was pitch black with a 600 foot drop (it was protected by railings). We had to find our way around by holding the person in front on the shoulder and the other on the wall. Other challenges were rock climbing, orienteering and gorge walking.

It was such a fun and interesting trip and we'd defiantly go back again!"
