Y1 Trip to The Cutty Sark and Greenwich Beach

On Thursday, Year 1 travelled down to
Greenwich for the afternoon to spend some
time doing an observational drawing of the
Cutty Sark as preparation for their Art unit
on John Dyer's 'Tall Ships'. *"The masts
are really tall and sailors used to climb the
rigging to get to the top."* - Eamon

As well as sketching in the sunshine, the
children also got to explore Greenwich beach
as an introduction to their Humanities unit of
'Leisure'. The children began thinking about
the local area and where things are in relation
to our school.

"We had to use a map to help us find the way, it showed us the way the bus goes and the route we have to walk when we get off." - Zac

Concerts

Our postponed Spring Assemblies were held on Thursday in glorious sunshine. Thanks to all who attended and shared in the wonderful singing from all pupils and the choir. Thanks also to Finn McCourt, our Poet Laureate.

Double Parking

If you are driving to school for drop off or pick up, please ensure that you park in a marked space.

Please **do not** double park or block driveways. Double parking is inconsiderate and dangerous to all road users, including our children trying to cross the road safely.

COVID

On Friday 1st April the long term government strategy for 'living with Covid' came into place. Below we have outlined what this means for us as an education setting:

- Children with **mild symptoms such as a runny nose, sore throat, or mild cough, who are otherwise well**, can continue to attend school.
- **Children and young people who are unwell and have a high temperature** should stay at home and where possible avoid contact with other people. They

can come back to school when they no longer have a high temperature, and they are well enough

- If a child or young person **has a positive COVID-19 test result** they should stay at home and where possible avoid contact with other people for 3 days after the day they took the test. The risk of passing the infection on to others is much lower after 3 days if they feel well and do not have a high temperature.
- **Children who live with someone who has a positive COVID-19 test result should continue to attend as normal**

Absence Reporting

If your child is unwell and unable to attend school, please report this using the absence line: 020 8858 5497 - option 1.

Absences must be reported daily.

Please also call the absence line if your child tests positive for COVID.

Lost Property

Please mark your child's name in clothing - it is easier for us to return items to their owners. As well as sweatshirts, cardigans and jackets, water bottles are accumulating in lost property, please come and reclaim lost items.
