## THIS WEEK

The hall was packed to capacity on Thursday as parents, carers, family members and friends enjoyed outstanding performances given by Sherington's wonderfully talented and enthusiastic children. Whether or not the weather is wholly reflective of this, spring has arrived and the feeling of newness and celebration were particularly evident around the school.

Please be reminded - considering you will be in school next week enjoying pupil-led parent and carer consultations - that our engaging Science Week displays will be available to view in the school hall. Also, on Tuesday and Wednesday, after school activity clubs aren't taking place (including girls' football and choir).

Following the hugely successful gathering this last term, there will be another opportunity for you to meet members of the school's leadership team from 8:00am-9:30am in the school hall on Monday 29th April. During this drop-in, there will be an opportunity for further discussion, suggestions and general chat over a cup of tea or coffee. We look forward to welcoming you.

Gary Hinchliffe

Acting Head of School

Parakeets had a fantastic visit from Wild Science on Tuesday. The children were introduced to a variety of animals, including a hissing cockroach and a bearded dragon. They learnt how to take care of each animal, including which foods they eat, the habitats they live in and what they like to do. The children were very brave, touching the animals gently – including a python!

We had a packed hall for both the Reception & KS1 and KS2 spring concerts on Thursday this week. It was great to hear the children singing their hearts out, especially under the glow of the new stage lights thanks to your generous donations. We hope you enjoyed watching the joy, zest and passion demonstrated by all the children as much as they enjoyed performing for you. Thank you to all who came along.

### Attendance

The award for last week's attendance goes to 4E with 100%

### Word of the Day

This week's vocabulary has been: visible, fault, feud, insult and commence . How can you weave these in to this weekend's conversation?

## RESULTS

On Wednesday, the girls' football team played 2 matches. The team won the first game 1-0 and were unfortunate to lose the second game 1-0. On Thursday, the boys' football team played 2 matches - winning the first game 2-0 and then drawing the second game 1-1. Both teams showed great teamwork throughout their matches.

In April, I am taking part in the London Marathon, running for Starlight: a remarkable charity dedicated to providing children in hospitals with the opportunity to experience what all children should - the magic of play! Starlight's mission is to boost the wellbeing and resilience of children during their illness, offering them moments of joy, distraction and laughter when they need it most. If you can, please help by donating to Starlight. Please follow the link to my Just Giving page. <https://www.justgiving.com/page/chloeprice-starlight>

Thank you for your generosity and for being a part of this meaningful cause.

Miss Price
