Recycling ink cartridges

We have come across a great new and easy way to raise funds for our school through recycling used ink cartridges.

We are working with a company called 'Empties Please'. They collect and recycle used ink and toner cartridges the environmentally friendly way and will donate the money raised back to us!

It's very simple. All we have to do is collect used ink cartridges and put them in our recycle bin. 'Empties Please' will collect the bin when it's full and then donate money raised straight back to our school with a certificate to display in our reception area.

You can collect ink cartridges from absolutely anywhere; work, home, clubs, friends and family. The more cartridges we can collect the more we can raise. The sky's the limit! Let's make it a great success. Happy collecting!

Please see Mr. Parry for more information

GET TO KNOW THE STAFF

This week, the school council has interviewed one of our members of staff Andrew Parry - IT Technician. Here's your chance to find out some interesting facts about him.

Have you had any other jobs?

Yes, I've worked as a gardener, in a Supermarket, and teaching Music Production.

What else are you good at?

I've tried out a fair few things like playing Piano and Guitar, but often I haven't stuck at them long enough to really master them. If you want to get good at anything, you need to practice!

Do you like animals?

I love animals! Growing up we had cats, guinea pigs, a hamster and a rat as pets. Not all at the same time though! I find intelligent animals like chimps and elephants really fascinating.

What are your hobbies?

I like football, following Charlton Athletic and the England team. I also enjoy anything creative, like making music, videos, graphic design etc.

What is your favourite dish?

I like loads of different kinds of food, at the moment I'm quite keen on Caribbean food and Japanese food.

If you could meet a celebrity, who would it be?

I'd rather meet someone who has really built something, like Alan Sugar or Richard Branson, than someone who got famous for being on something like X-Factor.

At School, what subjects did you enjoy?

Science, Music, media Studies, Drama and Computing of course! (Though Computing was nowhere near as good as it is now!)

Where are you from?

I mostly grew up in New Eltham, although between 5 and 8 years old I lived in Australia, and even had an Australian accent!

What do you dislike most?

Morning traffic jams!

SOMETHING FOR THE WEEKEND

Greenwich Heritage Centre Christmas Festivities on Saturday 28 November
4-7.30pm at Woolwich Arsenal. Face painting, craft fair and much more.

So it's time to get a bit of serious yo ho ho'ing in as the Christmas Fairs come thick and fast. And there's a few more great ones next week of course. But this week sees neighbours Our Lady of Grace hold an expanded and bigger fair than in previous years, filling a couple of halls on Sunday 28th from 1pm to 3pm. And Greenwich holds its big Christmas Festival on Saturday 27th from 4pm to 7pm. There are ice sculptures, food stalls, carolling, entertainments, and even a ferris wheel. Cutty Sark Gardens gets a Victorian make-over, and the official lighting of the Christman tree takes place at 6.30pm. No reason not to be (a) present!
