## This Week

### Attendance

Congratulations to 6H who win the attendance  
cup this week with 99% attendance

### Character Strength: Gratitude

This week we examined gratitude as being  
thankful for what is meaningful and valuable  
in our lives. Grateful people experience a  
variety of positive emotions and those  
emotions inspire them to act in more virtuous  
ways - humbler, more persistent, or kinder.

Gratitude tends to foster the character  
strengths of kindness and love, and therefore  
is closely associated with empathy and with  
connection to others.

If gratitude is one of your signature strengths, you  
are able to say "I am grateful for many things and I  
express that thankfulness to others"

Parents who are new to our Positive Education  
philosophy are encouraged to take the Character  
Strengths survey. For more information, see the  
school's website (Curriculum page > Positive Education)  
where the link can be found.

## Year 5 Trip to The Science Museum

The children in Year 5 visited the Science Museum in  
conjunction with their earth and space unit. After a  
hands on experience in the Wonderlab, the children  
were treated to a live demonstration of how rockets  
are propelled into space, where they learned about  
Newton's Laws. In the afternoon, Year 5 got to  
experience an Imax showing of the astronauts'  
experiences on the moon during the Apollo missions of  
the 1960s and 70s.

## Years 3,4 & 6 Trip to Greenwich Theatre

Children in Years 3, 4 and 6 were treated to a magical  
experience full of laughter, mystery and glitter. A  
good time was had by the Sherington audience,  
joyously entering into the spirit and appreciating the  
key message of the season ...love

## Football Tournament

Eight pupils represented Sherington in the EFL Kids  
Cup on Thursday. The team played well, winning 3 of  
their 5 games. We came second in our group - the  
team that came top went on to win the tournament.  
Our team represented the school superbly well with  
great sportsmanship.

## Important Reminders

### Teacher Meetings

Our partnership working with parents is invaluable and important - especially for your child. **Please remember:** Meetings with class teachers can be scheduled at any time. You don't have to wait until parents' evening to discuss how your child is getting on, or if you have a specific query. To arrange this please complete a meeting request form at the office.

### Late Arrivals

It is a Health & Safety concern that Children who arrive to school late, via the office, must be signed in using the Entry system by the adult who brings them. Gates close at 9am.

We have an increasing number of children arriving late and unaccompanied. School gates close at 9am.

### Parking around the School

As a driver you have a responsibility to park in a safe and considerate manner, if you don't you could be endangering a child's life. Please park with care and help make the area near and around our school a safer place for pupils.

If you need to drive your child to school, for the safety of all our families, please remember:

- No parking on single or double yellow lines
  - No double parking
- No stopping, dropping or parking on the School Keep Clear yellow zig zags

Please consider whether you can take alternative transportation to Sherington; reducing traffic not only makes the outside area safer but also improves the quality of air around our school. Walking to school is an ideal way to reduce pollution and to exercise at the same time. We also ask that drivers are considerate to neighbours who are sometimes adversely affected by parking around the school.

### Pick Up Times

KS1 children finish at 3.10pm and KS2 children finish at 3.15pm. After School Clubs finish at 4.30pm. Sherington Extended Day Care finishes at 6:00pm Please could you ensure you child is collected on time.

### School Visits and Adult Helpers

We are grateful to all parents and carers who volunteer to assist on school trips. Parent Helper Guidelines are provided to all who attend in this capacity. Two points included relate to Child Protection and GDPR policies and as such are non-negotiable:

*Parent helpers **should not use mobile phones for any reason** during the day unless requested to do so by the class teacher.*

***No photographs of children will be taken** unless asked specifically by a school member of staff using the school camera.*

For the safeguarding and privacy of all pupils, adult helpers are bound by these conditions. Thank you for your co-operation.

## **School Dinners**

To ensure the School Kitchen has sufficient time to order food for lunches, meal patterns should be amended in advance. Please could you advise the School Office, in writing, of any changes to your child's lunch choice before half term for the following half term.

## **Health Education**

We operate a no nut policy to keep our community safe and well.

In line with guidance from DfE, we are reminding pupils, parents and carers who prepare packed lunches of the importance of eating healthily. We are also asking parents to find a creative alternative to sending in cakes for a child's birthday. Suggestions are: donating a book for the book corner in your child's class; sending in fruit portions or another healthy alternative.

## **Changes to End of Day Collections**

Where possible, any changes should be given in writing to the class teacher at the start of the day.

## **Your View - A Voice for Council Tenants & Leaseholders**

If you live in a council property or are a private leaseholder we have been given information from the Royal Borough of Greenwich of a campaign to improve housing services. If you would like more details please call into the School Office.
