This week

Assemblies

Miss Peterson introduced our system of peer mediation and the applications from pupils in years 5 and 6 are already rolling in. Children interested in becoming peer mediators go through an application and acceptance process before training commences.

European Day of Languages was celebrated on Tuesday with Miss Edwards leading a stimulating assembly full of interesting facts, figures and quiz questions.

Word of the Day

This week's vocabulary has been: grit, crestfallen, warn, deflate and hurl. How can you weave these in to this weekend's conversation?

Attendance

The award for last week's attendance goes to Penguins and 2G with 100%.

Our Meet the Teaching Team sessions for year 1 and 3 were a great success this week. Thanks to those who attended.

Useful Information

School Meals

Dear Parent/Guardian,

From the new Autumn term, commencing September 2023, all children in Years 3, 4, 5 and 6 living in Greater London will be offered Free School Meals.

In response to the rising cost of living, the Mayor of London has made a commitment that every primary school child is entitled to a Free School Meal. This important step extends the existing Free School Meal provision – currently available to children in reception, and years 1 and 2 – to all primary school children in Greater London.

Chartwells Schools – as your catering partner – design nutritious seasonal menus, lovingly created by our team of talented chefs and dedicated nutritionists, who make sure the menus are packed with all the ingredients children need to grow strong and healthy.

Every day there is a choice of two hot main courses, jacket potatoes, pasta or a packed lunch. The meals are nutritionally balanced and feature familiar favourites as well as exciting new flavours, to encourage children to try something different.

We also cater for children with allergies and intolerances, so they can feel safe and included with their friends whilst eating school meals. If your child has a dietary requirement, please read the attached letter from the Chartwells Medical Diet Team to ensure we can cater for all children from September. Please provide all information as soon as possible, and before 21st July 2023, to allow the Medical Diets team enough time to develop an appropriate menu for your child/children.

Please visit your school's website for any further information on how to order meals in advance.

Absence Reporting

If your child is unwell and unable to attend school, please report this using the absence line: 020 8858 5497 - option 1. Absences must be reported daily.

From Monday 13th March if you are reporting your child absent via email please use our new attendance email attendance@sherington.greenwich.sch.uk.

Any evidence relating to absences i.e. Dr appointments, prescriptions etc. should also be sent to this address. You can continue to report absences by phone using the absence line. All other general enquiries should continue to be sent to sao@sherington.greenwich.sch.uk

Parents and carers are reminded of the importance of high attendance. High attendance leads to great achievement. We receive a number of requests for pupils to be absent from school during term time. Parents are reminded that the school cannot authorise a leave of absence for a holiday and we will only grant a leave of absence for exceptional circumstances. Every day of school missed by a pupil reduces their attendance by 0.5%, meaning that a child with 95% attendance has missed ten whole days of school and a child with 90% attendance has missed twenty whole days of school. By the time a pupil is persistently absent (85% attendance), they have missed six weeks, or half a term, of schooling.

Days Absent at the End of the Year	Absence Percentage	Attendance Percentage at End of Year
1	0.5%	99.5%
5	2.5%	97.5%
10	5%	95%
20	10%	90%
30	15%	85%

Punctuality is crucial so that children are settled and ready to learn together. School starts at 8.55am.
