### Return to School

Monday 22<sup>nd</sup> February

This week children have been busy setting new class rules to ensure a calm and peaceful environment for all learners.

Miss Cox, will be taking over the organisation of clubs this year, and we will inform you of what we have to offer by the end of next week.

The staff at Sherington have worked amazingly hard already in preparing classrooms, resources and books in preparation for your children and I would like to thank them for the work they have already undertaken, much of which happened during the school holidays. It's great to be part of such a dedicated team.

## Head's Message

Dear Parents/Carers,

Welcome back to Sherington! I hope you had an enjoyable summer. Can't quite believe we are at the end of our first week.

I'd like to take this opportunity to welcome our new teachers Miss Frost, in Foxes, Miss Darling in Year 1 and Miss Wallace in Year 5. We also have a new addition to our office staff, Susan Healy is now our new Business Manager.

It has been a fantastic start to the school year. The children have come into school looking particularly smart in their school uniform. The atmosphere around school has been one of excitement and calmness. Children are ready for learning and all children are settling well with their new teachers.

I'm looking forward to what promises to be a productive and successful year with all of your children and look forward to seeing you at one of our many open events.

## Linnaeus Garden

The school is pleased to announce that Hilary Pigott is now employed as our School Gardener! Hilary has been integral to the success of the garden and has worked tirelessly to get the garden to where it is today. As well as maintaining the garden and grounds - Hilary will now be leading the after school gardening club, and organizing special events and projects for your children throughout the year.

We would also like to thank all the volunteers that helped tend to the garden over the summer break.
