

A SPRING THING

Words and Music by Matthew Crossey

- 1 Sing a spring song
For a sing-song
About daffodils and snowdrops,
And if we all sing,
This little spring thing
Can blossom and then bloom.

Sing this song with all your heart,
As winter ends before summer starts.

- 2 Sing a spring song
For a sing-song
About crocuses and bluebells,
And if we all sing,
This little spring thing,
Can blossom and then bloom.

Sing this song with all your heart,
As winter ends before summer starts.
